Step into the world of chemistry

Live at IMC Krems

Curious about your future studies in Chemistry at IMC Kreams? Then don't miss the Experience Fair!

Why should you attend? Our chemistry students will take you behind the scenes, showcasing their **internship experiences in an inspiring poster exhibition**. Get first-hand insights into **where this degree can take you**, connect with like-minded people, and experience the IMC community up close!

Join us as theory meets practice –
we can't wait to see you there!
